1.2. About the organization

"Together for Life" (TFL) association is a non-political, nongovernmental and not-for-profit organization, established in late 2009 as an initiative of a group of reputable journalists as a membership organization; focusing on the development and empowerment of people. TFL has undertaken a range of innovative and successful projects and activities. It has gained reputation as the first and most prominent organization dealing in health rights in the country; as well as has expanded its activity to promote the debate on the building of civil society and a culture of human rights in Albania; with a focus on vulnerable communities; communities living in remote or economically less advantaged areas; women and youth. Together for Life Organization (TFL) since its inception is playing an active role socio-economic betterment and cultural development of the society through a rights-based approach. TFL has successfully managed and implemented project on human rights, patients' rights; labour rights; economic empowerment and good governance and achieved remarkable milestones.

1.3. About the TFL project

Since October, 2019, TFL is implementing in partnership with "Act for Society" in Albania the project "Europe respects human rights", funded from the European Union Delegation to Albania.

"Together for Life" organization and its partner "Act for Society" aim to achieve enforcement of human rights through strengthening independent institutions and by raising awareness on the EU accession process. The independent institutions are a crucial actor in the protection of fundamental rights, so the increase capacity of such institutions and their employees will increase the respect and the implementation of these rights.

The project is conceptualized in two phases that proceed in parallel:

Firstly, to increase capacity of independent institutions aiming to strengthen their role in the human rights field through three training sessions.

This action aims to empower three of institutions (Ombudsman, Commissioner for Protection from discrimination (CPD) and Information and Data Protection Commissioner (IDP) and to build the capacities of their staff as human rights defenders.

Secondly, to enhance the capacity of the local journalists and their information on the role of the independent institutions on the EU accession process through three trainings. The media will be used to disseminate the information on the respect of human rights better understanding that the process to enter in the European Union, starts from respect of human rights.
